Changemakers:
Saving Nearby Nature at a Crossroads

NVCT is your local, nonprofit land trust saving nearby nature by forever preserving and caring for the natural areas that define our Northern Virginia communities. Founded in 1994, we have protected more than 8,000 acres of clean water sources, key wildlife habitat and historic places in one of the fastest growing regions in the country.

Each year, as part of our commitment to the community and in the spirit of our mission, NVCT hosts a spring conservation event that convenes hundreds of business leaders, elected officials, jurisdiction partners, conservation leaders, advocates, and other key stakeholders who make a difference in our Northern Virginia communities each day.

This year we've transitioned our signature event into a virtual roundtable discussion with numerous environmental champions in the state legislature and we are asking for your support.

At this virtual event, businesses can show support for the conservation of our local land and water resources in Northern Virginia. In doing so, companies place their identity and brand directly in front of significant, involved, and committed professionals with shared values. We are proud to recognize our sponsors' leadership on our promotional materials, invitations, website and, of course, live during the event.

Please consider a sponsorship to show your support for conservation in our Northern Virginia Communities.
